“ Hi and I meet at the Moose 2112, Inverness, FL., about 4 or 5 yrs ago, we played pool against each other, being both from Detroit area, both of use were pretty good.

We had both worked at Ford Motor in Michigan, and shared some stories about Mich and FoMoCo. He would ask me to program his phone, fix a problem on his computer, or fix his garage remote.

Every once in a while we would run across each other at the local VFW or Moose, and have a drink together as he was making a round in Inverness to get some chores done. Some times he would ask me to come over and finish up some of the beer his kids had left behind from a visit.

It was good that I made the trip this summer, staying in Durand to Holly to take him out for a couple of drinks at the local VFW, we shared a good bound together and he will be missed, by all his family, and the e-mails will be missed also.
