“ I met this classy, smart lady when I was just starting my Holly adventures. I joined the Holly Teacher's Credit Union. The director had recently resigned and the Credit Union was on the verge of folding. A few of us formed a Board of Directors in an effort to save it. One of the members, who knew Margaret and about her skills, suggested that we hire her. She came into what I call a “Mess”and introduced us to a Mrs Iva Odell of Waterford's teacher's Credit Union, suggesting that we merge with them, thus later becoming Metro North Credit Union. Being the youngest of that group, I am probably the only survivor. Thanks to Margaret House. Holly has a strong Credit Union today!

She was a tremendous community asset. Blessings to her family! Thought this needed to be shared.

“ Oh, my dear Helen, where to begin?
The night before we found the house that was to become our home in your neighborhood, I had a dream that there were No Worries, we were to going to find that home on our house hunting trip that next day. It was so vivid that I announced the great news at breakfast that morning! The house would be near a pyramid and would be surrounded by great neighbors...
The pyramid turned out to be Mt Holly (which this gypsy had never seen or even heard of!) and those great neighbors, You...Jim, Margaret, Gladys...Jeff and the wee-little Nate and Erin! Lucky, lucky Us!
We were pulled into the family in an instant and it's been true love ever since. So very many memories, could write a book (!) and yet, not nearly enough...
I have Margaret in my kitchen with me every week as I lovingly work with my sourdough starter ~ a treasure from your Mom gifted almost 30 years ago now! That will continue as always. Yummy memories of those fabulous Sunday Sourdough Pancakes Breakfasts of days gone by...
Our hearts are heavy with grief for our loss but also with joyful celebratory excitement for the awe, wonder and amazement your Mom is enjoying now ~ as there truly are No Worries for Margaret anymore!
We Love U ~ Ron and Debbie

“ Hearts are heavy when the world loses such a beautiful woman as your Mom, Helen. But heaven will rejoice and the Lord will welcome her with His loving arms. Your Mom was a warm and gracious lady. She made you feel like she knew you forever. Such a calming voice and gentle spirit, but ready to laugh and have fun with the girls! You were not only Mother and daughter, but best friends. You honored her till the end of her life. Now it is time to celebrate her long life, beautiful memories and the love you always shared. Our thoughts and prayers are with you and all of the family.
Love you,
Tom and Linda Mathews

“ Oh, Helen, dear, friend. I am so, so sorry to hear this . . . Jamie just told me that he saw this on Facebook. What a terrific gal she was - I adored her - and you have cared for her endlessly for years. Thank you for being such a devoted daughter. I can picture all of our Girl Scout Moms coming up with a good prank together in Heaven to pull on all of us when we eventually get there --- now, let's not hurry, Scouts ! Love you, Helen --- I'll call you --- I miss you. Love, Betsy Good
