“ My Memories of Your Mother are very fond memories. Your Mother always made me feel welcome in her home and she loved having conversation with me. I won't forget her laughter when I went outside to get in my Dad's car in the Winter time and his car slid down the driveway onto Tinsman road safely, no damage. After your Mother stopped laughing she said, 'Don't worry, I won't tell your Dad' :-). I am blessed to have known your Mother, I appreciated how much love you all had for her. Much love to all of you and much strength to you during this her transition. Marti Addis Goforth
