“ It is with great sadness to find out the passing of my Uncle Ron. My greatest memory of you was when I was real young. I danced with you. You picked me up, and placed me on your feet. You held on to my tiny hands as we twirled around the dance floor. I still think of you every time I do that to my Grandchildren. You had a great sense of humor. Telling jokes and sometimes pranking friends and family as I am reminded in my home town by dear old friends of yours (Lee J.) Years go by so fast... too fast. I truly miss how close our family used to be. I will always hold a special place in my heart for you, and Aunt Marilyn. Oh the memories!!

Love your niece

Prayers for the family and friends left to cherish the memories they have as they go down this path of life.
