“ It has been awhile since I have seen Sue however I truly miss her presence.

Linda - November 10, 2014 at 08:43 PM

“ Phil, Kim and Jen - Sue was such a warm and caring person. She graciously welcomed us into the neighborhood and our home on French Lane, and was so supportive. It was a big move for us, and she was just a genuinely nice person. I know she deserves the peace she has now, but she will be missed by all that knew her.

“ My Sister Sue

Phil, Kim & Jenny must know she truly lived her life for them and loved it. Making them happy & safe was first and foremost. Cynth & I used to tease her about being the clean freak she was. She was the one who was always cooking, baking, canning, etc.. Needless to say, almost all holidays were at the Borowski house.

Growing up, she would give me “the look”, (while vacuuming) and I would laugh forever. No words were even spoken. She later passed that look to Kim & Jenny. You two know which one I’m talking about!!

I’m so glad she is out of pain now, and no doubt has found Cynth & my Mom. She will forever be looking down upon us and guiding Kim, Jenny & Phil when they need it the most (or if she thinks they do!).

I Love You & Miss You Big Sister,

“ Sue has to be one of the strongest women (mother-in-law) you can ever know. Don't know how many people would be able to walk one day (if any) in her shoes. There won't be one day that goes by that she will not be greatly missed. We love you mom. Rest in Peace.

“ Mom, you were loved by so many. You were the most amazing, beautiful, strongest woman I know. You always put others first and always made sure we were doing well, before worrying about yourself. You loved to read your Dean Koontz books, watch the dolphins in Florida, cruise along on the Naples Princess, and watch your TV shows each morning. I know you loved dad's Syfy shows he watched, especially Tremors :) You loved your morning coffee! Mom, please know how much you will be missed, but the memories will stay with us forever. You will be a guardian angel to us all. We love you soooooooooo much mom. Until I see you again, please rest in peace.

“ Your mom always had a smile on her face. I was ways amazed with her strength that came from within to overcome all her pains. I know where the two of you get your strength from now. She is an amazing inspiration. All my love, sympathy, and prayers.
