“ Shawna, Daniel, Seth and Nathan,

*I pray for the strength of your family and send you my love. Adrian was a light in the life of many people and I will never forget him. I remember him as a small child; brilliant and sweet. In the past few months I have been blessed with some of Adrian's time. I was amazed by his kindness, intelligence, humor, ambition and most of all.. his happiness. I have shared with many people since then of his uplifting personality that was so contagious... it made them smile, just like he made me smile. He will be missed.*

“ *Shawna and Daniel, I am so deeply sorry for your loss. Please accept my sincerest condolences.*

*Adrian was a student in my Italian class this semester. Although we'd only known him for a few weeks, his classmates and I can attest that he was a kind, courteous, and conscientious young man. Your family and friends are in our thoughts and prayers; may his memory be eternal, and may you be comforted by your wonderful memories of his time on earth. We'll miss his sunny presence in our class and wish we could have gotten to know him better.*
