

Alexandra Nicolette Brueger

November 9, 1984 - July 30, 2016

Alexandra Nicolette Brueger, Nov. 9, 1984 - July 30, 2016.

Ally was our beloved, only child. She was kind, thoughtful, considerate. She had a witty sense of humor, but she was also a very serious-minded individual. She was an RN at Providence Park Hospital in Novi, Michigan. She was working on her master degree in creative writing which she would have achieved in April 2017 because writing was her passion, nursing was her profession.

She graduated with high honors in all of her higher education degrees.

Our sweet daughter was taken away from us in the most violent way. She was shot four times in the back while she was taking her daily 10 mile run on a dirt road in Rose Township.

Her wish would have been to have all of her organs donated, but because of the senseless way she perished that was not possible.

She was very humble, and would have been quite embarrassed by all of the attention this has caused.

She was small in stature, standing 4'9", weighing only 98 pounds but mighty in presence.

We know that her life mattered to the people that she touched.

Ally was the daughter of Franz and Nicolette Brueger of Holly.

A Funeral Mass will be celebrated at 11:00 AM Wed. Aug. 10, 2016 at St. Rita Catholic Church of Holly, with Father David Blazek, Celebrant. Visitation will be from 2-9 PM Tues. at the Dryer Funeral Home, Holly. In lieu of flowers,

memorial donations may be made to Great Lakes Boxer Rescue. www.dryerfuneralhomeholly.com

“ Alex was such a joy to so many! I had the pleasure to know her from working with her at Providence. While working together we both later found out we went to the same high school and never met each other during that time. I was lucky enough to have that chance to meet her again. She had such a fun, kind, warm personality we all loved being around her. She was also an amazing Nurse it was incredible to see how she helped her patients and eased so many of their troubles. I'm so sad that she died and in such a horrible way while she was doing what she loved. To her family and loved ones please know that you're in my thoughts and prayers. My sincerest condolences for this incredibly great loss. Alex you're in so many hearts and will be forever, I'll never forget you!

“ *Franz and Nicki, my heart goes out to you. I was in class with Ally at CCA for so many years and will always remember her amazing sense of humor and all the fun we had. I remember playing with her at your house, creating an imaginary world in the pine tree 'forest' in your backyard. It truly is unbelievable, and so unfair, that she's gone. I'm so so sorry, and can only send you my sympathy and prayers. With love, Monica (Foster)*

Dear Nicki and Franz, I also am so shocked and saddened with you at the death of Ally. I remember Monica, Ally, Allison and Suzanne sledding wildly and laughing hysterically so many times during winters at CCA. My heart breaks with yours. I will see you soon at her memorial. What a lovely young woman she became...to be a nurse and to love to write. I am praying for comfort for you and good memories that never fade. I pray for peace for you. Much love, Sonia Foster

“ I had Ally for three years at Holly High School. She gave me the funniest Halloween card one year of a witch with a key fob for her broom :), and I still have Ally's senior picture tucked among my treasures. I remember talking with Ally about Lolita, the novel she chose to read for class, and I can still see her smile and the twinkle in her eye as she discussed with such maturity the characters in a novel some would consider too risqué for a high school senior. But that was Ally- fun and clever and sophisticated beyond her years.

The world is a better place because Ally was in it.
