“ I am so sorry to hear about Lari. We met at WMU and renewed our friendship in Flint. We bowled on the same team in the YMCA Rainbow League for endless years. She was a good friend and an endless story teller so that we all felt as if we knew her large, fabulous family. God Bless and comfort all of her family and friends.

“ I am Vernon Kielpinski. I live in the same group home with her. Spent a lot of time tending to her needs. She is missed here. Great lady and friend. May God take her now as she rests now. Amen,
