“ Aunt Alma was such a giving soul. You could never leave her home without eating a meal. I do not know how many times I would purposely eat before I would visit and she would still make me eat something before I left. She and my Grandmother (her mother) were so much alike it was always a joy to visit I felt loved and when I visited. Was so glad that I had family close by when I was at Adelphian. Will miss her soft laugh and smile-Julie
