Althea was so fun to be around. At work and pinnacle parties, win or lose, who would not smile and love her laughter? Everyone's spirit lifted when she was around. So sorry for your loss so early yet so glad she has no pain or suffering. Another angel for choir.

Althea had a way of really listening and enjoying herself. She was fun. She hid her pain but listened to many others. She touched many lives and will be remembered. We talked a lot when she was in the hospital and I am sure she is in heaven and seeing her truths. May my friend rest in peace.

*I have so many fond memories of Althea. The song "Girls Just Want to Have Fun" always remind me of her and a great time we had one weekend. We had too much fun. I had to hold her up in the elevator. She kept slipping down the wall! We had the same birthday and was fun sharing 7-11 with her over the years. We loss touch of each other for awhile but reconnected before she passed. I will always be glad of this. She would only want happiness for you Dick, my thoughts are with you. Sometimes memories sneakout of my eyes and roll down my cheeks,
