“ Angela and I both were hired at Holly Schools on the same day. This September would've been 19 years. She has made such a difference in every ones life that knew her children and co-workers. It was a pleasure getting to work back in the same building as Angela last year we would often have breaks at the same time. She was such a loving person. I will forever remember her humor to get us through the day and her smile of joy when she would help another child. You will be dearly missed Angela Dotson 🙄.

I am so sorry for your loss Kate! Prayers for you and your family. 🙏

“ I met Angela at the Holly Moose Lodge. We had several conversations about how much she loved working with the kids and how much she loved and missed her family. The last time I spoke with her she was going to be spending time with her daughter and granddaughter. She was super excited about it. She will be greatly missed by many.
