“ *My mother-in-law was one of a kind. She welcomed me to the family with open arms and always made me feel welcomed. She was not only my mother-in-law but my friend, she shared stories of her life, not all was easy but she kept going. She raised 4 children who became wonderful adults and they raised their children so life dose go on. I will keep mom and her laughter in my heart always. Mom, you will be missed, more then you could ever know, and thank you for my beautiful husband.
Miss and love you. Elaine*
