“ *My deepest sympathy for your loss. It is a struggle to adjust when we miss someone so much. In the difficult days ahead I hope your will be able to find comfort in the promises preserved in God's Word. Our loving creator Jehovah feels the pain of our losses as we do and has promised to undo the sorrow death causes through his loving son Jesus Christ. (Rev. 21:4,5; John 5:28,29) Jesus said we would one day see our loved ones again in a beautiful paradise earth where there is no sickness, pain or death. (Matt 6:9,10). Until that time, may you find joy in the many memories you have. My prayers are with you.*

“ Sincerest condolences for your loss. John 5:28,29 holds out the hope of a resurrection for those who have fallen asleep in death, and Isaiah 25:8 states that our loving Heavenly Father will swallow up death forever and will certainly wipe tears from all faces.

“ Ardath was one of the most self donative women I have ever known. She left her insprational fingerprints on the Holly community throughout her entire life, always giving, always lifting others up and always bringing others to a higher calling. She was a true light to the world and I know that her beautiful family will carry on the traditions that she instilled in them. I pray that everyone who knew her would do at least one act of kindness in her honor as our Lord welcomes her home with open arms!

“ I remember the countless occasions watching her interact with The Dickens Festival in down town Holly...
I spent time talking with her at different events throughout our town. Very sweet, always kind.... Never preoccupied or in a hurry.
You'll be forever remembered as an Icon of our Many Memories that Holly holds dear.
