“ Ardell Booth, good friend, Neighbor, korean war vet, musician, Farmer, Pontiac motors employee and Generous human being...the man whos gift of 3 non working motorcycles sitting for two decades and a mission..."if you make them run, they are yours". You played a big part in my early life as I am sure you did many others. You treated myself and my family as kin, and I can never ever thank you enough Mr. Booth, I just told my mom about how i needed to check in on you the other day; I just found out you have passed on. You inspired me to do things, to work my ass off, reinforcing the values my parents pounded into me. Go easy old friend. My deepest sympathy is with your family...in particular Your sons and grandchildren you spoke of and loved very much. You have set the bar high for any Human being, never a bad thing said if anyone and always positive. Mr. Booth, thanks for everything...

P.s. there is now a motorcycle in my Garage that is being named in your honor!

“ Grandpa boothe, forever missed. Still yet I don't believe this really happened, you held on strong. You worked hard with everything. Ik your looking down on everybody. No more suffering. Just wish God waited to take u from us, I will never forget the times with u. Life's so hard. I'll try to be okay but I can't make any promises grandpa. I love you and miss you.

“ I am very sorry for your loss . Losing a loved one in death is such a difficult thing to experience . Please be comforted by the promises in the Bible . Jesus tells us at John 5 : 28 , 29 that all those in the memorial tombs will hear his voice and come out . What a loving provision put in place by the God of all comfort so we can have the assured hope of seeing our dead loved ones live again one day . Meanwhile as I pray for that day to come I ask Jehovah God to bless your family and give each of you the strength to endure this most trying time .

“ My name is Kimberly Blair Moore. Mr. Boothe (although I'm an adult now, he will always be Mr. Boothe to me) was like a father not only to me, but to my three brothers as well. We watched all four of us grow up. He attended my wedding in Georgia in 2006. We loved him very much and he will be sorely missed! My most sincerest condolences to the family. May God give you peace and comfort during this difficult time. I will continue to keep you all in my thoughts and prayers.
