“ *She was the matriarch of our family. She was the focal point of the conversation, the laughter, the celebrations, and the chaos! As we all grew older and moved further away, she was the glue that kept the family together. Holiday parties, weddings, graduations and baptisms, Grandma was the ultimate host or the esteemed guest. She was in the middle of it all!*

*Her boundless energy was mind-boggling. Always baking, always ready for company, always wanting us to stay. Spring was the start of her beautiful backyard with flowers and plants. Her hand-written notes were special. She never minced words with us and always told us she loved us. I love my Grandmother and I will miss her deeply. Our loving memories of Grandma will be held in our hearts and cherished.*

*It makes me smile to know that Grandma is in the arms of our Lord surrounded by Grandpa, Nana, Carol, Beverly, Randy, Nina, Chase and Creigh. She is smiling, laughing, talking, holding court. Cookies are in the oven!*
