“ *Barb will be greatly missed by the Hanafin Family. How dear she was to all of us, friend and cabin neighbor for many, many years. We will miss her sharp wit and walking down to the cabin to share our dinner meals with her. Our last very funny memory of her was when the local air base was performing a routine fly over. She called Denny so worried thinking we are coming to war and the planes were after us. After Denny assured it what it was, we all laughed and laughed. We will miss her so much. Big hug to all the family!*
