“ *My Sweet Aunt Barb,
Always her smile my biggest memory .. And her saying Hi Suzy !
there are very few people I would allow them to say Suzy, she was
one of them. Because I knew it was so deep from the heart.
many special times with Aunt Barb, Uncle John, Michael and David
though our years, that like yesterday are still there.
My personal sweet memory of my Aunt was how when Michael was
little and David was a baby, I would get dropped off to spend the
day with Aunt Barb, She with her smile and me smiling all over,
because it never mattered What we did each time... It was the time
spent that at the end of the visit, my heart was filled with love.
Sweet peace surround you now as you have joined with your
husband, my uncle John, and Michael. Give them a hug from me..
Love is forever. Sue Loba Dorn. .*
