“ *Dear Family:*

I wanted to convey my sincere regret for your recent loss. In the difficult days ahead I hope you will find comfort in the happy memories you must cherish. The Holy Bible also gives us hope and comfort. At Revelation 21:4 it says that soon 'death will be no more, neither will mourning, nor outcry nor pain be any more'. We have the promise of seeing our loved ones again in a world with no more suffering. Until that time it is good to know our loving creator always welcomes our prayers(Philippines 4:6,7). You are in my thoughts and prayers.

“ She staying with me in the labor room with her mother, when I had my first born, all night practically and let me squeeze her hands and helped talked me through my labor with no pain meds, until they wheeled me into the delivery room where Eric was born. When I stayed at her parents home, she called her mom every single day.
