“ *We are keeping you all in our thoughts and prayers. We loved and admired Barb & Don. Their warmth, strength and infectious sense of humor made them so special. They faced tragedy most will never know, yet they lived life to the fullest with appreciation, humor and unending love for their family. We admired them so much for that and they will forever be remembered fondly. Our deepest sympathies, Les & Katie Weaver*

“ *I loved Grandma & Grandpa Willie so very much. I loved listening to her stories of when she was a girl and when she would tell us about her first date with grandpa :)))) She was SO funny and I will never forget that! I cherish the memories I have with her and hope you find comfort in this terribly painful time, knowing she is with her family again. Sending my deepest sympathies and love, Aimee Weaver*
