“ We have been truly blessed with many happy moments with Ben. One of my favorites was taking Ben to a Flint Firebirds game to go trick or treating around the rink before the game. A few weeks later Ben invited Liam to a U of M Hockey game. The boys were so joyful together, watching them battle each other with nerf guns, playing video games and listening to them chat back and forth. Ben was an angel walking on earth. I am so very sorry for your loss. It's not goodbye, but we will see you again. We love you very much! The Senton Family
