“ Berniece was my big sister but was a lot more than that. She was an inspiration of how to live life, always cheerful in spite of the many tradgadies which she overcame during her life. She was a model of how to be the ideal wife, mother, sister, and friend to all who knew her. She will be welcomed in heaven by all those who were part of her life.

“ On behalf of Holly Area Youth Assistance, I want to extend the Board of Directors sincerest condolences to Bernice's family. Bernice gave unselfishly of her time and energy volunteering for HAYA over the years. Whether she was taking notes as the secretary, giving financial reports as the HAYA treasurer, or directing a program she was chairperson of, Bernice always had a smile on her face and a kind word for everyone. She was one wonderful lady.

“ *Mrs. Alexander was my Confirmation Sponsor. Her daughter, Sandy, was a good friend of mine. Her husband, Don, rescued my sister and brother, Janet & Ronnie, when they fell through the upstairs floor onto the basement floor when building addition to our house. Everyone loved her. She will certainly be missed. Thoughts and prayers to her family. Eugenia Reed*

“ *I remember family gatherings and some silly story being told, then Aunt Berniece would exclaim "Oh my stars!" Once when I was baby sitting Tommy got the little green end off the orange and I thought he must have swallowed it. I was upset and told Auntie to watch for it. She just laughed and thought it was funny. To this day I don't know if it was found but she would remind me of the incident every time babysitting came up in conversation. I loved your cheerfulness and pray you will rest in peace.*
Love,
Shirley and Ron.
