“ Betty was a kind, patient and loving woman. She gave of herself to help others, without hesitation. I enjoyed our times when she would babysit for us. Betty was always fun to be with.
I remember summer baseball games with her handsome sons!
They lived across the field from us.
Afghans were treasured gifts from Betty. She made beautiful ones.
You will live on in our hearts.
Love, Kathy Summers Izzi

“ She was the best mother in law a person could have. She was my 2nd mother for 44 years and she will me greatly missed. She was selfless She cared for everyone else's needs above her own. She had menial income yet would give it all if she had to. To whom ever was in need. I wish I could of been a quarter the person she was. Her Generosity and love and kindness will be treasured by all who had the great opportunity to have her as a part of their life. I will miss you ma but we will meet again in much better conditions
