“ *I think of Betty often, we had so much fun together before moving to Alaska. Betty would love to visit Garage sales and watch for Drinking glasses of Green Tumblers for me. They have been very special to me throughout the years on our table for special occasions, and low and behold they survived the earthquake in Nov. I will always remember her smile and friendship. Bless your family in your time of sorrow and remember the laughter, the smiles and all you shared. Sincerely, Suzanne Cool Eagle River, Alaska.*
