“ *I worked for Striggow's & loved it. She was always Ms. Betty to me. We spent time together at Penny's (sometimes on the front porch) talking, sharing & watching the birds). I shared my flowers with her. I loved the smile on her face & the light in her eye.*

“ I am so sorry to hear of Betty's passing, though she lived a long, healthy life. She was the best! Began working my first job at 14 with her and Jene, making \$3.35 an hour, and very much enjoyed working 5 years at the farm. She was always so energetic and upbeat, and opitized a can-do attitude and way of living. May she rest in peace 🙏

“ I am so sad. Betty was a wonderful person and so much fun to be with. She encouraged me on our Hawaii trip, tp go snorkeling and later to take a helicopter ride in Maui. She said she couldn't swim either but will go snorkeling on a board. We had several trips together. We loved her sense of humor! My condolences to Penny and and the whole family! I wish I could go and say goodbye , but i just had hip surgery yesterday. God is with you and my prayers are with you as well,
