“ *The Nears on Riviera Shores loved the Carrigans. My grandparents lived just down the street, and Mr. Carrigan hired my dad in construction when he was young. I used to visit with Mrs. Carrigan and Ken when I was there. She was one sweet lady. Our condolences, her contributions are not forgotten and ripple on.*

“ I will miss your stories, Grandma. The ones you told me as I drove you around town every week when you were still living in Holly. I heard them all at least ten times, and each time you told them with the same vigor, as if it were the first time. Say hello to Grandpa for me.

“ Billie was a wonderful gal. My mother still tells stories of their adventures at Weight Watchers together. Mom said that Billie could make you laugh and marched to her own drummer. She was kind to me on the occasions when I was home from college and homeless. She's a heck of a lady and will be missed by all that knew her. Our thoughts and prayers are with her family at this time
