“ *Bonnie was an absolutely wonderful woman. I grew up knowing her as my best friend's mom. Always so trusting of us and loving of us. I was sad to hear when her husband died and now I hope they're together in heaven. I'm so sorry for the Reid family.*

“ Coaching the girls in Softball is how I met Bonnie and Ed. Nicest parents I'd I had during those years.

Showed up to every game, with smiles on their faces asking how can we help? Same way for seeing them in the community, smiles and good conversation. My sympathies for the girls and my deepest condolences for Bonnie's dear family and friends. Peace 🍀💜🕊️💜

“ When I came over to visit Alanna, I used to talk with Bonnie about books or whatever.
Always find myself wishing I stayed in touch with your family.
Last time I was in Michigan I brought my kids and spontaneously dropped in. We talked for about an hour.
Will surely be missed.

“ Aunt Bonnie always spoke to you with kindness and humility. She was encouraging and loved to share time with the family and her and Uncle Ed were always fun to be around. I will miss her and hope that she is sitting beside her brother and sisters, playing a card game up there watching down on us all.

“ My Aunt Bonnie was my buddy growing up. Spending my summers with her and learning to swim at the pool. As her sisters did, she was my babysitter when I was little. As an adult I always went to visit when I home and snagging stuff from her garden. She is missed and loved. Dan Miller.

“ My mom and dad, Jim and Mary Fuller, always reminisced about when Bonnie came home from being born to where my Uncle Ernie and Aunt Bug we're staying at the time when they came back to Michigan from Washington state- Dad said she was one of the prettiest babies he ever saw, she looked like a doll, so perfect..

“ Loved going to Bonnie and Ed's to drop off goodies from our garden to share with them!!
She always was game for all my extra tomatoes to can and also make salsa to share with her friends and family!!
That was already on top of what she'd already put up for everyone from her garden!!
We will miss you!

“ Aunt Bonnie was my favorite aunt of all! She always welcomed use from kids to now adults into her home whenever we wanted to just come for the day. My best memory is when she lived in the trailer park & We road our bikes from Ortonville to Holly trailer park to spend the day with her & Uncle Ed & play with they girls & she always let us go behind the trailer & play in the quarry until we get caught & kicked out. Lol we’re going to miss you dearly! Love to you girls

“ I have many, many favorite memories of Bonnie, but I think my most favorite was when she would make giant bubbles with us out of rope and a stick. Growing up, she always welcomed me and Collin to come play in her yard—on the giant swing and the tree fort. She treated our family like her own and I am forever grateful for the impact that Bonnie and Ed left on our lives. I picture her up in heaven, sitting by a bonfire with Nana□
