“ I am so sorry and saddened to hear of Brandy's passing. Although, I met George the IV while he was young and still in Elementary School then later when I drove School Bus which while doing so, I met Brandy. Immediately, we hit it off. In the short time she was at the Bus Garage was that...too short. I remember Mom too. I am so very sorry. 💜 Robin Campbell

“ My love goes out to the family. I'll never forget the good times we had being roommates and friends. Although we drifted apart through the years I have always had a special place in my heart for Brandy and her family. I Love you all and will be thinking of all in this difficult time. RIP my friend!
