

Brenda A. Jarrett

October 20, 1957 - May 19, 2023

Brenda Anne Jarrett of Holly, age 65, passed away on Friday, May 19, 2023 at her home surrounded by family. Brenda was born October 20, 1957 in Midland, the daughter of the late Harold and Alma (McDonald) Shook. Brenda was employed with the Holly Area School District for many years as a special education teacher. Brenda loved teaching and piano was one of the things she taught over the years. A love of nature and animals of all sorts led to an interesting home life with all kinds of creatures occupying our home over the years. A robin by the name of Batman one year and on the following year a robin by the name of Robin were raised and sent back to the wild. A duck who lost her mom to a turtle became Gizmo and visited us with her broods over several years. Brenda bred and raised Great Danes for several years. She was very involved in her union, Michigan Education Association and aided in bargaining several contracts with the district. Brenda is survived by her loving husband, Bryan Jarrett; three children, Cameron Busick, Jennifer Busick and Lucas Busick; grandchildren; Grace Busick, Cayson Busick; brother, Roland Shook; many friends some of particular note; Lanis and Donna Fick, Laura Oldaugh, Lila Will, and longtime friends Bill Wolgast and Lisa Yuhn. Visitation will begin Monday, May 22, 2023, from 2PM until 8 PM at Dryer Funeral Home in Holly and again on Tuesday, May 23, 2023 from 4PM until time of service at 6PM. She was instrumental in creating the Hannah Yuhn award and instead of flowers would prefer that you supported this award so that it will continue forward. Contributions should be made out to "Holly ESP" and sent to the Holly High School Attention: Beth.

“ *She was my son, Alec's, paraprofessional throughout his elementary and pre-school days. She was such an incredible person. He was so excited to run into her at Holly's farmers market a few years ago. He was home on leave from the USMC. She definitely helped shape that man my son became. Prayers and condolences to her family and friends.*

“ *Brenda was a lot of fun to know and work with at Patterson. She had a big heart when it came to her students she cared for. A true advocate of making sure their needs were met.*

We had many a conversation of her menagerie of animal guest.

I have a few of her dis lights she made and gave as gifts. Now when I see them I will remember her smile.

Condolences to her family you are in my prayers.

“ Well which one to share, I have been blessed with so many, she was my big Sis, when I was young she would Mother me, when I got bigger we both were very competitive and a good chunk of our playing would turn into a competitive battle until we literally broke something in the house, we would call a time out, combine effort to hurry and fix whatever we broke prior to Mom and Dad getting home!! I mean this happened very frequently! Rollie Shook

“ No words can describe the pain we have endured in having to let u go. Your were the best mom and grandma anyone could have ever ask for. There are Not enough words to describe the love, wisdom and encouragement you have bestowed on everyone u ever came came in contact with. You were the symbolism of strength that no one will ever be able to match. We love you so much and we know you will forever be watching and protecting us with everything that comes as you always have. Rest easy and know you are always in our hearts.
