I remember when Brian was a small boy and him and his grandpa would walk by the gas station going fishing in the mill pond. Then later Brian came and worked for me at the station.

“ My heart breaks for you, Tiffany. I’m working in Alaska right now but I’m with you in spirit. I’ll never forget Brian’s smile and laugh when we were just kids! He was a great guy and so proud of you and the boys. God bless your family.
