“ *I am truly so sorry to hear of Bryans passing. I will always remember the two summers that I was Bryans and Carlos little league coach the summers of 1970 and 1971. Would pick them up and take them home from every game. They were both such well mannered young boys. I have thought about those car rides and games many, many times. Wish I would have heard sooner. “ So sorry for your loss Akins family, I have great memories of growing up with Bryan and joining the military on the buddy system with Bryan, Mike Volz and Brett Pasco. We had a great time growing up together and in the military in Hawaii. For the past couple months Greg Wright, John Filman and I have tried to find you Bryan and we just learned of your passing yesterday. Its been a long time but we will meet together again in Heaven. Your big smile and loving nature will always be remembered. You had the cleanest and most well kept housing compartment on the ship and you always kept your uniforms and clothes perfect. We had many wild times but many, many quiet times where we talked about life, god and our future. life took us in different directions but friendships last forever with a true friend, can't wait to meet up in the future, love you brother.
