“ To the family of Bryan:

This is Patrice's sister and I am shocked and saddened about his passing. We had Bryan live with us for a while and I really knew him well. He was a good man and I know that he loved his children very much. He would brag to me about them and I know he wished he could of given them more . He had his ups and downs ,but he certainly was a good guy. He was such a hard worker and I never minded giving him a hand with whatever he needed, as he always returned the favor. I loved him like a brother-in-law and I hope that he is resting in peace.
