“ *Jodie and Jamie, Am so sorry to hear about your mom. Her and I had some crazy and fun times in the 60's. Times that I will remember fondly and have a chuckle of some of the good memories I will keep close to my heart. She was in my wedding in the 60's and told me she was going to have a daughter some day and name her after my daughter Jodie.... Take comfort in knowing that she will always be with you in spirit...Butchie*

“ *I had the privilege of knowing Carol for the past couple of years. She treated me as her own. My time with her was too short. Rest in peace Carol. We'll see each other again one day. Until then your deeply loved and missed.*

“ *I had so much fun growing up with Carol (don't know nothing)...every day was an adventure...not only was I related but we were amazing friends. She cared passionately about her patients,her family,her pets,and God. She fought an amazing battle and when we had the pleasure of her company on special weekend visits she never complained and rejoiced in every minute with our family. Always bragging about her children, grandchildren, pets, and my mom's chop suey. We all love Pudgie with all our hearts and souls. Our hearts are so saddened . Love Rich and Sue Boehm and the entire Boyle family.*

“ *Jodie & Jamie, and all the family,  
There are not enough words to comfort you at this time. So I'll just share a memory or two. Your Mother was a fantastic lady, full of love for everyone she came in contact with. She was fun to be with, and a blast on a trip. I was lucky to go on 2 with her! NYC will never be the same! and the U.P.... well, its a wonder we made it back with all those rocks (I mean stones) she collected from everywhere we stopped! How do you spell...hooten-nany ;) ? Hold on to all the great times and memories you have, and know she is no longer in pain or suffering! Try not to wish her back, she would return in the same health as she left, and I'm sure you wouldn't want that. Please know you all are in the thoughts and prayers of many as you journey forward. Jodie, you know how to contact me!  
Rest in peace my friend, and 'well done, good and faithful servant'! love to all,  
Anita*
