“ Julie and Lynn: I will miss Carol. She was our moral compass on the family trips I was a part of. I really can't remember the one where she got the most fed-up with all the shenanigans! Had to be the trip to Tawas where she finally had her fill of us. She was a trooper and never let her medical issues stop her from being a part of whatever we were doing. I really admired her for her stamina through all of the fun times I got to be a part of. You both take care and cherish all of those golden moments when she was at her best. I know I will.

“ *May the road rise to meet you.
May the wind be always at your back.
May the sun shine warm upon your face;
The rains fall soft upon your fields
And, until we meet again,
May God hold you in the palm of His hand.*

*Precious memories of our friendship linger in my heart.
My very deepest sympathy to Lynn, Julie, and the entire family.
Love,
Patty*
