“ 'Mom' had been a part of my life for as long as I can remember. Her and 'Dad' met my own parents, Ron and Adele Brockett Sr. at EMC (now Andrews University). When ever Dad Silvernail was colportering in our area he always stopped by. Carolyn was the only person my Mom would allow me to call "Mom" and she was always available when I called. After my Mom died, she was the only one who still called me Cherie like my Mom and I feel like I have my last earthly connection to her. Her faith in a God who would supply all their needs was strong to the end. I will miss her <3
