“ *My dad was one of a kind, he taught me that being yourself is always better than hiding who you are. I am grateful my dad was who he was, he had a heart of gold and loved his family, ALL of f his family unconditionally. I miss him every day and wish I could have been there more these last few years, but I'm thankful I did get to talk to him and tell him how much I love him before he had to go. Until we see each other again Pops, I love you and thank you for being my dad*
