“ I met Chuck at Wilhem Eng back in 1981 and had been friends with him ever since, we worked on many projects together through the years. Outside of work we were friends and got together often for birthdays, holidays, weddings, and other events. We have traveled together and partied a lot together.

He had a love of music that was very deep and always was looking to learn more.

A fun loving guy with a great sense of humor and I will miss him dearly. When he joined the Krause Family it was a great match, I had worked for Dick at GM and know Rochel since Stellar days. The pool opening partied and the Halloween parties were always great. My heart is very heavy with his loss and I am still in shock that he is gone.

A great guy that will truly be missed,
