“ *I just discovered that my dear cousin passed in 2018. I am so sorry to have lost touch with the family, but I am hoping to hear from any of them even after all these years have passed. I have many fond memories of the times we went to Detroit to visit my grandma and grandpa West, Uncle Clyde, Aunt Reba, Aunt Gertrude, Uncle Ed and all the kids. I remember and am forever grateful for her taking care of my dad - her uncle Claude - when he was dying from cancer. I have been living on Hawaii Island for the last 23 years and would love to hear from any family who may wish to contact me. My email is photoman808@gmail.com. Mahalo Nui, Charlie West*

“ *Charlotte blessed everyone she met with love, strength and honest words. I was fortunate to have stayed with her when i was a young adult. She shared her home and her constant faith. I'll never forget that time in my life. I learned a lot from Charlotte. May she rest peacefully.*

“ *Charlotte blessed us all with so much kindness, love, and honest words. She wanted the best for each person she met. I shared many days with her when I stayed with her as a young adult. Her faith was a constant and her prayers were full of hope for us all. I'm thankful to have been blessed with knowing her and sad I lost touch with her. May she rest peacefully.*

“ I want to express my sincere sympathy for the loss of your loved one and share the hope promised in the Bible.
God has set a day in which he purposes to judge the inhabited earth in righteousness by a man whom he has appointed, and he has furnished a guarantee to all men in that he has resurrected him from the dead. (Acts 17:31)
If your heart yearns to see a loved one again, study the Bible to make this resurrection hope your very own.
