I've been thinking about a lot today and would love to thank you for all the things you did for me in my life, you are still one of the driving powers behind everything I do today. I really hope if you could see me today that you would be proud, you started me bowling as a young boy and I will bowl in your honor for the rest of my life. I miss you greatly grandpa

My dad was the kindest, most talented man I know!! (especially woodworking) I think half the people in Michigan have one of his birdhouses!! He would make or do anything for anyone!! He was much loved and is sadly missed by many!!

“ What do you say about a man who invested so much of himself in everything he did and everyone he came in contact with? He was an amazing, Godly man, and we will miss him, but I can't wish him back here, knowing what he is enjoying in heaven from this moment until eternity! Looking forward to seeing you again someday soon, Cliff. Until then, I'm praying for you, June, and your family. We love you very much.
