“ I’m saddened to hear about the loss of a friend of mine since elementary school. Sooooo many memories of a smart, extremely funny, athletically talented (boy, he had a knee buckling curve ball. Glad he was on my team!), and just an all around great guy to be around! My thoughts and prayers to family, friends, and loved ones left behind. May The Lord Jesus give comfort today and the days to come.

*I’ll miss you, and will never forget you Craig!*

“ We are with you in spirit Dad and Joanne. Our hearts are broken for you and send all our love to you. I remember spending time on occasion with Craig in college at MSU and many Christmases together at your condo in Davison. He was such a caring and kind person. I know you will miss him dearly.

Love to you always,

“ Fond memories will be in my heart forever for Craig. He was one of my very best friends throughout school. He was smart, talented, and simply hilarious. He had a heart of gold! My prayers for his family, his fiancée, and close friends are that they be comforted and strengthened by God and all the wonderful memories everyone shares with them. May they somehow find joy in the midst of their sorrow.
