“ Ken and Sharon,

We are sending our Love and prayers to two Special people that have been connected in our life and have been a joy to be around. We are so sad to hear of Graig's passing and know that he will leave a void that can never be refilled, but we know that you have the comfort in knowing that he is in the presents of the All Mighty God and Savior Jesus Christ.

Ken, one of the things that you gave me when we first worked together was a set of foot prints that I was able to pin to my work coat. They represented the Poem "Foot Prints In The Sand", and that poem was brought up many times during are working years. I pray that Christ will carry you and your family threw this sad time and a point come where you can look back and see where the Love of Christ carried you by the One set of foot prints. You have a cherished possession waiting for the reunion in Heaven.

“ *I am so sorry to hear this. Craig was always so good to work with. Often times we chatted about riding dirtbikes and building engines and working on cars. He was able to share alot of wisdom as well as some good laughs about old riding stories. I know he was looking forward to spending more time outdoors, so now he should have plenty of time to spend looking at all of God's beauty. may he rest in peace*
