“ Despite only working with Curtis for 2 months, his impact will be forever remembered. He knew how to light up a room and make his presence known. I will never forget all the laughs and smiles we shared together. Prayers go out to his family. He is going to be missed dearly. #CondaGangUWM

“ *Curtis I will always remember our years working together at Oakland County CU in the early 90’s. You became a lifelong friend and crazy “ Uncle Curtis” to my kids. You were the smartest guy I knew, but one I wanted to shake some smarts into at times. I love you like a brother. Until I see you again. Love you!* ”
