“ Our acquaintance with Dale (and Doris) began in Holly, MI and continued from wherever we (Halls) came and went in our nomadic life. Finally ending up in Zephyrhills, FL. We considered them two of our best friends throughout life. When my husband, Jesse, died in 1998 the friendship continued with Arden Clark and me as we all lived in FL for many winters together. Arden did numerous things for Dale--like painting their home in FL--and he and Dale enjoyed visiting every time Doris perked me up with a perm! We cherish the memories and our love and prayers go out to Doris and the family as they deal with the finality of death-----  
-----but it is not OVER ---- Christ is soon to come and we will be together again in the Earth made NEW. Cling to His promises and look up!  
We love you! Nina and Arden Clark

“ “ We go way back, don't we” would be his goodbye. We did from early years of school to “ in-laws “ and old friends. He remains always a wonderful friend.
