“ My sympathies to the family. I babysat for Diana and Fernando when they lived in Flint. All her kids were little, the boys could be super active, but they loved playing together. Lots of memories of her friendliness towards my Mother and as a teenager, thought she was a beautiful lady. May she rest in peace now, lots of love from Gloria (Soto) Vasquez and family.

“ To the family and loved one's of Tia, I wish you comfort and prayers. May your memories bring you some small comfort in the days to pass. To My Tia Diana, we will always remember the delicious and plentiful food that you prepared for our visits. That you always welcomed us with Love and opened arms. The stories you shared of your childhood whether in hardship or joy especially memories with your Sister, my Momma Trine. May all your Earthly suffering and pain now be over. With greatest love and respect your Niece and Nephew Jane and Lane
