“ Dan was a good friend of mine back in High School. I have a lot of good memories of him...even the time he threw a steel bolt across the room in Mrs. Zaetch's history class and nailed me square between the eyes. That bruise lasted damn near 2 weeks. At least it was after school pics had been taken. Lol. I hadn't seen Dan in many years and I'm sad knowing I'll never get the chance to laugh, joke and reminisce with him.
