It's hard to believe Dave is gone. We were best friends as children. I realize it's been a while since his passing. But I still would like to offer my heart felt condolences. Say hi to Scott for me.

“Your dead will live. My corpses will rise up. Awake and shout joyfully, You residents in the dust! For your dew is as the dew of the morning,” and the earth will let those powerless in death come to life (Isaiah 26:19). May this Bible promise from the Source of Life bring the family hope for David

“David will be dearly missed at the credit union...I was personally inspired by his optimistic outlook, his hope and his sense of humor. He kept his chin up in all the years that we knew him. Rest in peace my dear friend. Andi Barber

“Yes, we experience unbearable sorrow now from such great loss, it calls on us to have faith that Almighty God has many good things in store for David. That Jesus Christ, the King, will resurrect David with everlasting life before him . Furthermore, the Kingdom in which Jesus rules will cure everyone then living, where sickness, death, and sorrow will be no more.— Revelation 20:12 & 21:4, 5. Until that wonderfully perfect day that God has promised, and we see you again with tears of joy..... we shall miss you.....

“ *Uncle D was by far my favorite uncle I know they say it's not fair to play favorites but oh well ... I remember when I was a little girl I couldn't tell you exactly how old I was but I know I was young and he was over my house playing cards or something with my dad and it was storming outside and it knocked the power out and I was scared and I ran to the table where everyone was sitting and i hugged the first person i got my hands on and thought ut was my dad and I said daddy I'm scared and he looked down at me and he said I'm not your dad but its okay honey I remember just holding him until the lights turned back on and he was right everything was ok*

“ I met dave back in high school, we were both in 10th grade, during our 1st few weeks of football practice and although I only was able to speak and hang out with Dave for 1 year we had one of the best friendships anyone can have, it's like we knew each other for longer then that,he was not a good friend, he was a great friend, he was the best
