“ *My thoughts and prayers are with Alice, Jill, Blake, Rex and Dorthey as they have lost such a great soul. It has been an honor to know and share my Sunday afternoons for the past 14 years with such a great man. I will cherish the stories that have been shared and seeing the pride he had for his family and the life he built. I am honored to call you all not only friends, but family! I can see him dancing again, like I have seen him dancing in his own living room so many times.*
