“ *I met David in Kindergarten I believe, and we became good friends immediately. As we grew through elementary school, he invited me to so many things - trips to Canada, the movies, riding the amphicat through swamps and woods, many many hours at his house doing all sorts of interesting things. He was quite a character, even at a young age. Thanks for the memories Dave! It was an honor! May you rest peacefully now.*

“ *David and I shared many classes together and he always tried to get me in trouble. Years later they had a house on the Cheboygan River and we were directly across the river so our path crossed again. Sorry to hear of his passing - many fun memories - Rest In Peace.*
