“ *David was the best and most generous foster dad in the world. My family and I really appreciated him for taking such excellent care of Phillip.*

“ *Dave was a good man with a big heart who was a foster parent to my brother and several other children. Dave loved and cared for them as if they were his very own children. It takes a special person to be able to do this and special is what he was. As the days and weeks pass, and as you return to life's routine, Irene may you continue to feel comforted by the love and support of family and friends. Dave will truly be missed.*
