“ We are so sorry for your loss and our neighborhood will not be the same. Dave has always had such a presence next door. We would always see him out mowing, weeding, trimming and planting...always keeping everything beautiful. Our dogs would always watch with anticipation, hoping to run the fence with "Hali", the lab, as she followed Dave around the yard. He would stop by to chat and visit, and we always enjoyed his sense of humor and appreciated his advice, which was often needed. Dave will be greatly missed and our prayers go up for Beverly and the family to have peace and comfort and divine guidance in this time of loss.
