“ I am very sorry to read this. Dave was a good, long time friend. I met him over 40 years ago through amateur radio.

“ I am so sorry to see this, David was one of a kind. A very kind, courteous and friendly man. David made sure my Mother was well taken care of and asked her daily if she needed anything during their stay at Mission Point. David was always concerned about Mom and many others there. Rest now David 💜🕊️💜
